

KIN BASE 1

ZEITRAUM

Assembly Instruction 03/2016

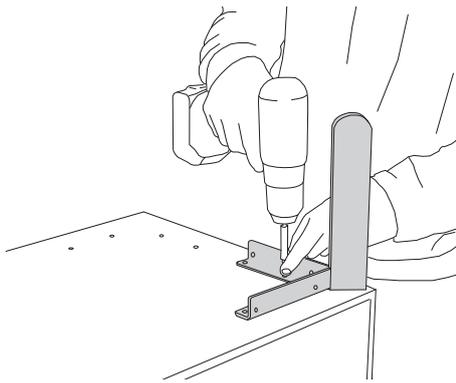

TOOLS REQUIRED:

Cross Screwdriver

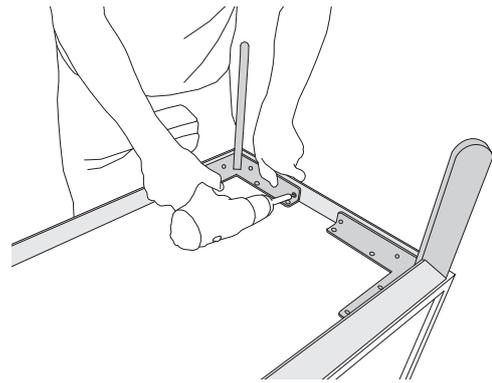

Place the furniture gently upside down (use a blanket) and fix the plinths to the bottom side with the enclosed screws. The required holes are predrilled.

KIN BASE 2+3

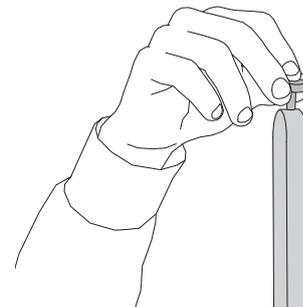

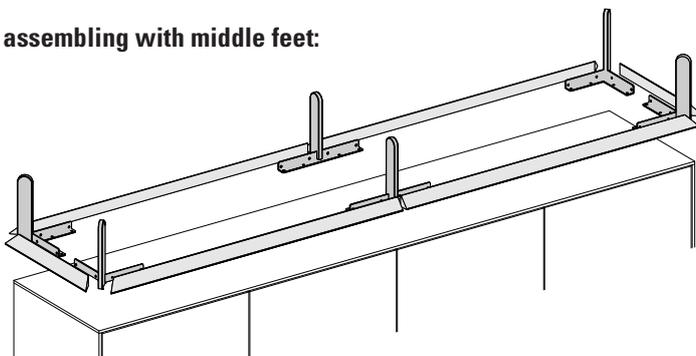

1. Turn the furniture gently on the top (use a blanket) and fix the metal feet to the bottom side with the enclosed screws. The required holes are predrilled.

2. Fix the plinths to the wings of the metal feet with the enclosed screws.

assembling with middle feet:

3. Screw the adjustable feet into the metal feet. Turn the furniture again and stabilise it by using the adjustable feet.
