Please assemble the table **on a soft surface (e.g. a carpet or blanket)** to avoid damages.

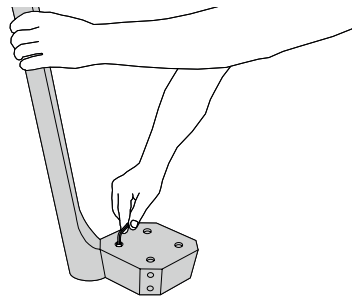

1. Screw in the XS steel dowels.

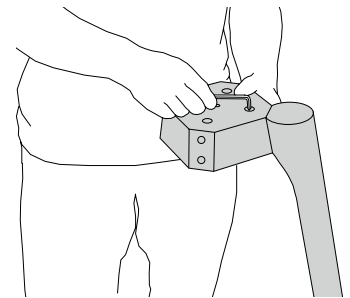

2. Insert the connector housings.

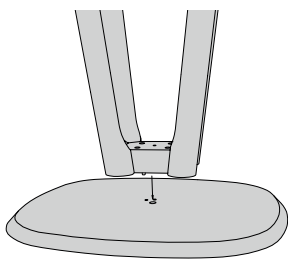

3. Mount the legs to block.

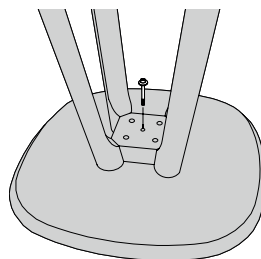

4. Fix the connection from the bottom side with grub screws.

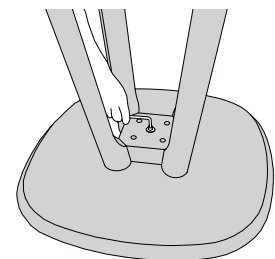

5. Also fix it from the top side with grub screws.

6. Place the frame on the tabletop.

7. Insert the cylinder head screw with flat washer.

8. Fix the block by screwing it onto the table.
